

ABCChem

ATLANTIC BASIN CONFERENCE ON CHEMISTRY

6-9 DECEMBER 2026 | RIO DE JANEIRO, BRAZIL

**EXHIBITOR &
SPONSORSHIP
PROSPECTUS**

CONFERENCE THEME

Chemistry for Global Impact: Strategic Partnerships for Sustainable Innovation

DATES AND LOCATION

6-9 December 2026

Windsor Barra Hotel, Barra Da Tijuca, Brazil (Rio de Janeiro area)

SPONSOR TYPES

- Scientific Companies with a presence in Brazil or interest in Latin American markets.
- Academic publishers
- Lab equipment manufacturers
- Chemical suppliers
- Scientific societies

TOPIC AREAS

- Green Chemistry and Sustainable Innovation
- Global Connections & Education Curriculum
- Artificial Intelligence (AI) & Technology-Driven Research
- Health and Medicine for All
- Emerging Research in Chemical Frontiers

AUDIENCE

Scientists from over 30 Atlantic Basin countries, in regions such as:

- Europe
- Africa
- North America
- South America

Chemistry for Global Impact: Strategic Partnerships for Sustainable Innovation

ABCChem 2026 offers sponsors a unique opportunity to align with a prestigious international scientific conference that brings together approximately 500 leading researchers in chemistry from across the Atlantic Basin and surrounding regions. Now in its third iteration, ABCChem continues

to foster global scientific exchange, collaboration, and innovation. The American Chemical Society (ACS), the Brazilian Chemical Society (SBQ), the Canadian Society for Chemistry (CSC), the European Chemical Society (EuChemS), the Federation of African Societies of Chemistry (FASC), the Latin

American Federation of Chemical Associations (FLAQ), the Mexican Chemical Society (SQM), and the South African Chemical Institute (SACI) have partnered together to promote scientific exchange in the Atlantic Basin and surrounding regions.

Why Sponsor ABCChem 2026?

Global Brand Visibility

Position your brand at the forefront of international scientific dialogue. Your organization will be visible to a highly engaged audience of researchers, educators, and thought leaders who influence the direction of scientific inquiry and innovation. Expected media attention includes coverage by global media outlets.

Access to a Global Audience

Science transcends borders - and so does ABCChem. This event connects professionals from North and South America, Europe, Africa, and beyond, offering sponsors a platform to reach diverse markets and build global recognition.

Thought Leadership & Strategic Alignment

Support and participate in conversations around sustainable innovation, multidisciplinary collaboration, and the future of chemistry. Sponsors can demonstrate leadership by contributing to sessions, sponsoring awards, or engaging directly with attendees.

Influence Decision-Makers & Future Leaders

Attendees are key influencers in academic, industrial, and governmental settings. Sponsorship offers a chance to build relationships with those shaping the future of chemical research and policy.

Support Sustainable Progress

By sponsoring ABCChem 2026, your organization becomes part of a movement to strengthen global scientific partnerships and promote sustainable development through chemistry.
